GUIDELINES FOR POSTER PRESENTATIONS SESSION 1

- 1. The Poster.** It is a visual display and should be self-explanatory. Your audience should be able to see, read your material and understand it from a distance of 2 to 3 meters.
- 2. Poster Size.** Poster must measure 30” wide and 40” high (76 cm x 103 cm) printed preferably in vinyl material (Tarpaulin printing) installed with tarp grommets or 4 eyelets on the four corners of the poster for attachment to the poster panel.
- 3. Title Banner.** The title banner should show the following:
Title – the letterings should have a height from 15mm (minimum) to 20mm (maximum). The title should not occupy an excessive amount of space.
Name of Authors – this includes the researcher/s. The letterings should have a height of 10mm. The name of the presenting author is in **Bold** face and underlined.
Department of affiliation – Include the complete address. It should have the same size as the Name of Authors. (if the address of any of the authors is different, write also their address).
- 4. Font Size.** Lettering for the text and illustrations should be at least 10 mm high.
- 5. Contents.** It is recommended that each poster should contain sections devoted to Introduction and Objectives, Methodology, Results, Discussions, Conclusion(s) and Acknowledgement(s). To increase effectiveness, keep text to the minimum; be clear and concise. Results should be presented as

graphs, charts, or 3-5 telegraphic sentences in large fonts. Many viewers read these first.

- 6. *Set-up Time.*** The poster needs to be set-up at 4.00 PM to 6.00 PM of 13 June 2017 (Tuesday). All posters for Session 1 must be set-up not later than 8.00 AM of 14 June 2017 (Wednesday).
- 7. *Take-Down Time.*** You are requested to remove your poster by 6:00 in the evening of 14 June 2017 (Wednesday). The organizers cannot be held responsible for posters which are not removed on time. At 6:30 in the evening of 14 June, Poster Session 2 will commence.
